| | Academic Single-User License |

method and date of the license fee payment:

GRANT OF LICENSE The author (S.I. Gorelsky) grants you a nonexclusive, nontransferable license to use the program indicated above (the "SOFTWARE") according to the terms and conditions herein. The **research-group license** permits users from the same research group to run the SOFTWARE on the computers of this research group at one institution / department. The **site license** permits users to run the SOFTWARE on the computers at this institution.

You must include a proper citation (see the manual or the website) in any publications and presentations where you utilized or reported the data which you obtained using the SOFTWARE.

You **shall not**:

- (1) Sell, rent, lease, distribute, or transfer all or part of the SOFTWARE or any rights granted hereunder to another person, organization, institution or company;
- (2) Modify, reverse engineer, decompile, or disassemble the SOFTWARE;
- (3) Remove or modify any notices, labels, or marks from the SOFTWARE or Documentation.

Title and copyrights to this SOFTWARE and accompanying materials and any copies made by you remain with the author. This Agreement is effective until terminated. You may terminate this Agreement at any time by destroying all copies of Software and informing the author about it. This Agreement will be terminated if you fail to comply with any provision of this Agreement. Upon termination, you must destroy all copies of Software. **Licensee acknowledges that this SOFTWARE is a research tool that is being supplied „as is“, without any accompanying services and warranties unless agreed about these services and warranties in a separate signed agreement.** While the SOFTWARE has been tested for accuracy and proper functioning, the author of the SOFTWARE disclaims any responsibility for the accuracy or correctness of the SOFTWARE or for its use or application by Licensee. The author is licensing the SOFTWARE to Licensee on an "AS IS" basis and makes no representation or warranty, either expressed or implied, of any kind, and hereby disclaims any warranties, representations or guarantees of any kind as to the SOFTWARE, including but not limited to, any warranties of merchantability, adequacy, or suitability of the SOFTWARE for any particular purpose or to produce any particular result, and any warranties of freedom of infringement of any patents, copyrights, trade secrets, or other rights of third parties. The author shall not have any liability to Licensee or any other person arising out of the use of the SOFTWARE by Licensee for any reason, including but not limited to inadequacy or unsuitability of the SOFTWARE for any particular purpose or to produce any particular result, or the infringement of any patents, copyrights, trade secrets, or other rights of third parties, for any latent defects therein or the failure of the author to provide Licensee with any modifications or updates in the SOFTWARE.

I, the undersigned, have read and fully agree with this license agreement. If I am entering this agreement on another's behalf, I have the right to be binding that other person. Thus, for a research-group and site license, this agreement must be signed by an appropriate authorized person.
